ABSTRACT: This template file provides essential information on how to prepare and submit paper for the FRANCOFILT 2019 taking place in the city of Hammamet in Tunisia. Please follow them as precisely as possible. We would like to receive all abstracts **no later than April 30th 2019**. Type your abstract in no more than 500 words, followed by the keywords up to 5 words. For purpose of consistency we recommend that you use the same format as this abstract by adopting Times New Roman (size 12) font type. After submitting your abstract you can send your full article (paper) preferably before **June 30th 2019**. You need to send the **final version including the reviewer's corrections by July 31th 2019**. **It is recommended that final papers comprise between two and six (6) A4-pages and 4 MB in a file size.** The title is in bold capital letters and centered at the top of the first page. It must be followed by the author(s) name(s), organization(s). Leave one bank line between the title and the name of the author(s). When several authors prepare a paper, the name of the corresponding author should be underlined. The name of each one's organization should be easily distinguished. Type your abstract in no more than 500 words, followed by the keywords up to 5 words.

Keywords: renewable energy, ultrafiltration membrane, protein recovery, paper size (up to 5 words)
